The Forest is designed as a traditional bungalow and represents one of the oldest and most popular designs in the range. It has a stylish large roof apex above the front door and two double glazed splayed bay windows to the front.

The living room has a traditional feel to it, whilst the fully fitted kitchen is ideal for entertaining and comes with double oven, hob and hood. Larger models have a separate utility room.

Cool and contemporary fitted bathrooms come as standard.

a study for
work and play
